

尊敬的朋友：
Dear Friend,

誠摯邀請您蒞臨2026年5月12日至14日在中國澳門舉辦的G2E亞洲博覽會！我們將在現場恭候您的光臨。

We are pleased to extend a warm invitation for you to join us at the G2E Asia Exhibition 2026, taking place in Macao, China, from May 12th to 14th, 2026.

CTS將於A823號展位展示全新一代“CTS智能超級管理系統”。現場將通過即時演示，為您呈現我們如何運用人工智慧技術，為博彩行業在安全、效率與合規方面的核心挑戰提供創新解決方案。

CTS will be showcasing the latest generation of the "CTS AI Hyper-Management System" at Booth A823. Visit us for live demonstrations on how our AI-powered solutions address the industry's most critical challenges in security, operational efficiency, and regulatory compliance.

期待與您在澳門相會！

We look forward to welcoming you in Macao!

產品技術優勢

Product technical advantages

RFID芯片技術

RFID Chip Technology

- ✓ 全球唯一ID防複製，壽命超5年
Globally unique ID prevents replication, and service lifespan exceeds 5 years
- ✓ 精準讀寫距離控制，杜絕鄰桌干擾
Precise reading distance control eliminates interference from adjacent tables

極速回應機制

Ultra-fast Response Mechanism

- ✓ 風險事件200ms內預警，比人工快400倍
200ms risk event warning, 400 times faster than manual intervention
- ✓ 邊緣計算保障弱網環境穩定運行
Edge computing ensures stable operation in weak network environments

高併發架構

High-Concurrency Architecture

- ✓ 支持10萬TPS，彈性應對高峰流量
Supports 100,000 TPS, and elastically handles peak traffic loads
